**13. Plan of action chalked out by the IQAC in the beginning of the academic year towards Quality Enhancement and outcome achieved by the end of the academic year**

| Plan of Action             | Achivements/Outcomes  |
|----------------------------|---|
| Industry Driven Courses    | The industry elective courses such as Cloud Technology, Industrial automation, Energy side management etc., are being conducted in the University with the support of industries like Highradius, Siemens, Schneider Electric, National Instruments etc. University Industries partnership in Internship, Curriculum Development, and Placement programmes. The industries have established their resource center in the campus to carry out Live projects and Capstone projects. Prototype Projects on Industrial Problem during internship are conducted in collaboration with industries |
| Multidisciplinary research | Research teams from different Schools of Engineering Technology, School of BioTechnology, School of Medical and Dental Sciences, School of Public Health, School of Management Rural Management and School of Law have joined hands to carry out  |

|                                  |   |
|----------------------------------|---|
|                                  | <p>multidisciplinary research addressing issues of national and international relevance, cutting edge technologies and sustainable development goals. Multi Disciplinary Research area includes Renewable Energy, Water and Rare Earth, BioReserve, AI and IoT, Artificial limb, Cancer research, Leadership and Human Development, Sustainability and Equity, Cosmetic Maxillofacial surgery etc.</p>  |
| <p>Collaborative governance</p>  | <p>Different stake holders representing alumni, students, parents, industry representatives and faculty members are members of different committees at School level and also under the university which are associated with the governance process. The stake holders are also invited in different forums and seminars like Mega HR Conclave, Chaipcharcha meetings, faculty staff meetings, annual alumni parents meet. number of external stake holders have participated in different forums during 201920</p>  |
| <p>Central research facility</p> | <p>A Central Advanced Research facility has been set up in 1 lakh square feet area having high end equipments like MicroRaman Photoluminescence Spectrometer with low temp cryostat, High sensitivity VSM 8600 of Lake Shore Cryotronics, USA Liquid Chromatography ESI MS/MS, Ion Chromatography Mass spectrophotometer (ICMS), Dynamic UTM, High Energy Ball Mill and Accessories Transmission Electron Microscope (TEM), Inductively Coupled Plasma (ICP)MS spectroscopy, Atomic Force Microscopy (AFM), ThermalMechanical Physical Simulation System: Material testing and process simulation, PCB prototyping machine, XRD Bruker make, SEM, Some of the facilities include Technology transfer laboratory, Community Healthcare Centers, Wellness Clinic, Technology Business Incubator (TBI), Technology Enabling Center, Technology Transfer Office, IoT and Design Thinking laboratory, Material Research laboratory, Human Development and Leadership, Center of Consultancy, Translational research center, Mini Satellite Center, Renewable energy, NanoTechnology, Tele Medicine Center, Financial Technology laboratory</p> |
| <p>Peer learning</p>             | <p>The concept of peer learning sessions have been initiated in the University</p>  |

|                                  |  |
|----------------------------------|--|
|                                  | <p>wherein students take part in delivering educational concepts to the juniors. In addition to this several technical societies exist across the university where senior students play the lead role under the guidance of a designated faculty member in charge, to mentor their juniors and participate in collaborative technical projects. 4633 number of students are involved in peer learning process and 12117 number of students are associated with Technical societies of the university</p>   |
| Faculty Appraisal and Counseling | <p>Content design and delivery on virtual platform, online examination and evaluation, Increase in the number of research publications. Counseling has a powerful, longterm impact on people and the effectiveness of the organization. It is talking with a person in a way that helps him or her solve a problem. It involves thinking, implementing, knowing human nature, timing, sincerity, compassion, and kindness</p>  |
| CSR activities                   | <p>Corporate Social Responsibility (CSR) is one of the major focal areas of the University. The CSR activities carried out during last year include setting up of COVID hospitals and rehabilitation centers across Odisha, adoption and transformation of remote village 'Kalarabanka' into Smart Village, adoption of some Panchayats of Kandhamal district to make these Model Panchayats, providing free education, boarding and lodging to more than 30,000 Tribal children, Mentoring 18 institutes of Odisha under UGC Paramarsh Scheme, Psychological counseling during pandemic situation, popularization of Yoga and human consciousness</p> |
| Connectivity with Stake Holders  | <p>Special classes for advanced learners NET, GATE, GRE, TOEFL and Foreign language classes etc., Summer remedial classes are conducted for slow learners. Different Alumni events and activities such as creation of International and National Alumni chapters and Alumni job portal, Alumni Live series and Alumni meets are organized throughout the year. The Feedback from Parents regarding Course content and Course outcome, teaching and learning process and Institutional facilities are taken for Quality improvement purpose. The</p>  |

recommendations w.r.t Curriculum updation, Research and Innovation, Industryacademia collaboration are taken from Recruiters, visiting Academicians of repute, industry personnel, National International academic partners to strengthen the teachinglearning process

Academic Audit

Based on the recommendations of the external Academic Audit team, the thrust areas identified include Updating of curriculum as per cutting edge technology, Revamping of laboratories including the most sophisticated digital instruments, Emphasis on Project based/case based learning, More tutorial/ practice classes with the help of teaching assistants/PhD Scholars, More students exchange/internship programs with Universities abroad and Industries, Enhancement of interdisciplinary or multi disciplinary research, Establisment of MultiDisciplinary Research Centre, Product based research /More collaborative research and consultancy with Industry, More publications in high impact Journals, Focus on Patents and subsequent commercialization

Social relevance research

Promotional and societal reach activities have been initiated in the broad areas like Renewable Energy, Sustainable Development goals, Malaria, application of IoT in agriculture, Financial literacy, Social Sustainability and Equity, COVID rehabilitation activities. 14 number of ICSSR projects are also going on in the University

### 1.3 – Curriculum Enrichment

#### 1.3.1 – Value-added courses imparting transferable and life skills offered during the year

| Value Added Courses                                       | Date of Introduction | Number of Students Enrolled |
|---|----------------------|-----------------------------|
| Konfidant   | 02/08/2019           | 617                         |
| Energy Audit and Management (EE 4044)                     | 10/12/2019           | 257                         |
| Electric Power Generation Technology (EE 3040)            | 10/12/2019           | 240                         |
| Energy storage Technology (EE 4054)                       | 10/12/2019           | 149                         |
| Parametric Approach using Rhino, Elk and Ladybug Software | 16/10/2019           | 56                          |
| Electrical Instrumentation (EE-4047)                      | 10/12/2019           | 86                          |
| Solar Power Technology (EE 3046)                          | 04/07/2019           | 95                          |
| Film making and Creative Arts                             | 30/09/2019           | 30                          |
| Revit Software  | 25/07/2019           | 30                          |
| Foreign Language skills training                          | 20/07/2019           | 25                          |
| <a href="#">View File</a>                                 |                      |                             |

#### 1.3.2 – Field Projects / Internships under taken during the year

| Project/Programme Title | Programme Specialization       | No. of students enrolled for Field Projects / Internships |
|-------------------------|--------------------------------|---|
| BTech                   | Electronics Engineering, Civil | 7121  |

|                           |  |      |
|---------------------------|--|------|
|                           | Engineering, Electrical Engineering, Mechanical Engineering, Computer Science Engineering, Biotechnology |      |
| MBA                       | Corporate Student Internship Project (CSIP) & Faculty Led Student Internship Project (FLSIP)             | 324  |
| MBBS                      | Medical Science  | 162  |
| BArch                     | Architecture and Planning  | 72   |
| LLB                       | Law  | 1251 |
| MSc Nursing               | Nursing  | 15   |
| MA (Journalism)           | Academia- Industry Interface, Professional Exposure  | 44   |
| <a href="#">View File</a> |  |      |

#### 1.4 – Feedback System

1.4.1 – Whether structured feedback received from all the stakeholders.

|           |     |
|-----------|-----|
| Students  | Yes |
| Teachers  | Yes |
| Employers | Yes |
| Alumni    | Yes |
| Parents   | Yes |

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution?  
(maximum 500 words)

|  |
|--|
| Feedback Obtained  |
| <p>Feedback is taken from stakeholders round the year to actively gather their opinion on academic, research and other relevant aspects of the University. The stakeholders include the students, alumni, faculty members, parents and employers. Feedback is collected through online mode from the students twice in a year through which they can reflect their opinion and curriculum pedagogy, facilities and ambiance of the institution. A dedicated Alumni Cell is available in the University which maintains coordination with the alumni. Different alumni events and meets are organized throughout the year. Feedback and opinion is collected from the alumni for the overall improvement of the University. The feedback is also collected from the parents for the continuing students regarding curriculum, teaching and learning and institutional facilities. Information on graduates and recommendations with respect to changes in the curriculum and research facilities are obtained from the recruiters, visiting academicians, industry personnel and, national and international collaborators and academic partners. The feedbacks collected are analyzed both quantitatively and qualitatively. In quantitative analyze the ratings of stakeholders is calculated in a scale of 5. Qualitative analysis is done on major recommendations and opinions from different stakeholders. The areas for improvement are identified by the Internal Quality Assurance Cell and it recommends action plans in that regard to the competent authority. Action Taken Report: The University has taken steps to improve the facilities in</p> |

research lab, to promote interdisciplinary research in energy, health care, waste energy management, electric vehicle, to conduct more conference/seminar/tech talk/webinar, more industrial visit, collaboration with industry. The University has also taken sets to enhance participation of alumni in University activities and events. The University is contemplating to avail assistance of alumni in annual gathering.

## CRITERION II – TEACHING- LEARNING AND EVALUATION

### 2.1 – Student Enrolment and Profile

#### 2.1.1 – Demand Ratio during the year

| Name of the Programme | Programme Specialization  | Number of seats available | Number of Application received | Students Enrolled |
|-----------------------|---|---------------------------|--------------------------------|-------------------|
| BCom                  | COMMERCE  | 75                        | 959                            | 75                |
| MHA                   | Master of Hospital Administration   | 20                        | 297                            | 20                |
| BTech                 | Civil Engineering, Mechanical Engineering, Mechanical Engineering (Automobile) Mechatronics Engineering, Aerospace Engineering, Electronics and Telecommunications Engineering, Electronics and Electrical Engineering, Electronics and Instrumentation etc | 3129                      | 60566                          | 3129              |
| BCA                   | BCA   | 44                        | 4245                           | 44                |
| BBA                   | BBA   | 177                       | 2583                           | 177               |
| Mtech                 | Structural Engineering, Geotechnical Engineering, Water Resource Engineering, Manufacturing Processes & Systems (MP&S), Thermal Engineering (TE), Machine Design (MD), Communication System Engineering,  | 99                        | 1558                           | 99                |

|                           |   |     |       |     |
|---------------------------|---|-----|-------|-----|
|                           | VLSI & Embedded System Design, RF & Microwave etc |     |       |     |
| MCA                       | MCA   | 40  | 3605  | 40  |
| MBA                       | MBA   | 325 | 1043  | 325 |
| BSc Nursing               | Nursing   | 83  | 13708 | 83  |

### 2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

KIIT- Deemed to be University has a Tutor Mentor Program, in which each teacher has been allotted with a small group of students to enhance their all round development by ensuring an appropriate classroom environment, broadening curriculum participation and strengthening one to one bond between the students and the teachers. Mentors provide emotional as well as academic support, guidance, motivation, pose themselves as ideal role models for the mentees and also help them in their future career growth. Student mentorship has the following aims: 1. To enhance teacher student contact hours To enhance students academic performance and attendance 2. To minimize student dropout rates To identify and understand the status of slow learners and encourage advanced learners 3. To render equitable service to students With a wide variation in the student population in regard to educational and economic background, the system promises to provide a better understanding of individual students and bring out their highest potential. It also appears to be the most effective method for mitigating cases of those students who are vulnerable to dropout from studies. Design Implementation: The IQAC had taken the initiative of implementing the mentoring of students. Students are categorized based on the streams of studies and also according to their core subjects. They are divided into groups of 10 to 15 depending on the number of teachers and students available in a course. Each group is assigned a teacher mentor who would perform mentoring duties. A Mentoring Format with Guidelines prepared by the IQAC to ensure uniformity is available with each mentor. It is the practice of Mentors to meet students individually or in groups. In isolated cases parents are called for counselling/special meetings with the Principal at the suggestion of the Mentor. If a student is identified as having weakness in particular subject, it is the duty of the Mentor to apprise the concerned subject teacher. Uniqueness: The institutional practice of Mentoring System has been designed and implemented — to be student centric to render equitable service to students of varied academic financial backgrounds. The scheme is adapted far the value additions to the students like — a) Bridging the gap between the teachers and students. b) Creation of a better environment in college, where students can approach teachers

for both educational and personal guidance. c) Enhancement of knowledge base for both teachers and students alike, due to effective two way communication. d) Awareness and support to students for GATE, GRE, CAT, ISRO, SAIL, GAIL, HAL, NTPC, BSNL, DRDO, BARC, and other Govt. PSUs examinations. e) Motivation for higher studies and entrepreneurship. f) Advice and support for improvement in academic performance.

### 3.4 – Research Publications and Awards

#### 3.4.1 – Ph. Ds awarded during the year

| Name of the Department             | Number of PhD's Awarded |
|------------------------------------|-------------------------|
| Schools of Engineering             | 31                      |
| School of Biotechnology            | 20                      |
| School of Applied Sciences         | 9                       |
| School of Management               | 16                      |
| Schools of Humanities and Language | 16                      |
| School of Law                      | 1                       |

#### 3.4.2 – Research Publications in the Journals notified on UGC website during the year

| Type              | Department | Number of Publication | Average Impact Factor (if any) |
|-------------------|------------|-----------------------|--------------------------------|
| International     | KIIT-DU    | 1213                  | 2.71                           |
| No file uploaded. |            |                       |                                |

#### 3.4.3 – Books and Chapters in edited Volumes / Books published, and papers in National/International Conference Proceedings per Teacher during the year

| Department                          | Number of Publication |
|-------------------------------------|-----------------------|
| School of Law                       | 3                     |
| School of Computer Applications     | 11                    |
| School of Biotechnology             | 7                     |
| Schools of Engineering              | 135                   |
| School of Architecture and Planning | 3                     |
| School of Applied Sciences          | 5                     |
| School of Management                | 10                    |
| <a href="#">View File</a>           |                       |

#### 3.4.4 – Patents published/awarded/applied during the year

| Patent Details   | Patent status | Patent Number | Date of Award |
|--|---------------|---------------|---------------|
| An Autonomous Floor Cleaning Robot   | Published     | 201831017005  | 08/11/2019    |
| Method of Producing a Coated CNT And NANO-TiO <sub>2</sub> Particulate Reinforced Al 7075 Matrix Composites          | Published     | 201831008267  | 13/09/2019    |
| Hybrid Reinforced Polymer Composites   | Published     | 201831001313  | 12/07/2019    |
| Object having stair climbing and descending system with a suspension mechanism                                       | Filed         | 202031020037  | 17/05/2020    |
| Motorized day bed control interfaced with an ingrained system by simple physical movements                           | Published     | 201941031332  | 06/09/2019    |
| Method of Producing a Coated CNT And NANO-TiO <sub>2</sub> Particulate Reinforced Al 7075 Matrix Composites          | Published     | 201831008267  | 13/09/2019    |
| Hybrid Reinforced Polymer Composites   | Published     | 201831001313  | 12/07/2019    |
| Blockchain-based system and method for providing a platform for managing blood banks                                 | Published     | 202031009562  | 05/03/2020    |
| Computer Implemented Method for Generating Notification during Call without Using Internet in Wireless Communication | Published     | 201911047977  | 24/11/2019    |
| High performance vegetable oil based bio-dielectric fluid for electrical discharge machining                         | Published     | 201831028650  | 07/02/2020    |
| <a href="#">View File</a>  |               |               |               |

3.4.5 – Bibliometrics of the publications during the last academic year based on average citation index in Scopus/

Web of Science or PubMed/ Indian Citation Index

| Title of the Paper        | Name of Author | Title of journal | Year of publication | Citation Index | Institutional affiliation as mentioned in the publication | Number of citations excluding self citation |
|---------------------------|----------------|------------------|---------------------|----------------|---|---|
| Nill                      | Nill           | Nill             | 2020                | Nill           | Nill  | Nill  |
| <a href="#">View File</a> |                |                  |                     |                |   |   |

3.4.6 – h-Index of the Institutional Publications during the year. (based on Scopus/ Web of science)

| Title of the Paper        | Name of Author | Title of journal | Year of publication | h-index | Number of citations excluding self citation | Institutional affiliation as mentioned in the publication |
|---------------------------|----------------|------------------|---------------------|---------|---|---|
| Nill                      | Nill           | Nill             | 2020                | Nill    | Nill  | Nill  |
| <a href="#">View File</a> |                |                  |                     |         |   |   |

3.4.7 – Faculty participation in Seminars/Conferences and Symposia during the year

| Number of Faculty           | International | National | State | Local |
|-----------------------------|---------------|----------|-------|-------|
| Attended/Seminars/Workshops | 536           | 467      | 204   | 223   |
| Presented papers            | 427           | 306      | 80    | 22    |
| Resource persons            | 92            | 117      | 51    | 38    |
| <a href="#">View File</a>   |               |          |       |       |

**3.5 – Consultancy**

3.5.1 – Revenue generated from Consultancy during the year

| Name of the Consultan(s) department | Name of consultancy project  | Consulting/Sponsoring Agency   | Revenue generated (amount in rupees) |
|-------------------------------------|--|--|--------------------------------------|
| School of Electrical Engineering    | Suryamitra Programs  | NISE,MNRE, India   | 1350000                              |
| School of Rural Management          | Faculty Development Programme on Development Research.                               | Mahatma Gandhi National Council of Rural Education (MGNCRE), Hyderabad | 650000                               |
| School of Rural Management          | Impact of PRADANs Intervention in Goat farming in 24 Paragana district               | PRADAN, New Delhi  | 120000                               |
| School of Civil Engineering         | Making of Preliminary Design and Estimating of Jagannath Ballav Pilgrim Center, Puri | M/s D N Homes  | 118000                               |
| School of Electrical Engineering    | Solar PV Installer under DDU-GKY Program   | ORMAS,Odisha   | 3600000                              |

|                                  |  |  |        |
|----------------------------------|--|--|--------|

accessories

#### 4.4 – Maintenance of Campus Infrastructure

4.4.1 – Expenditure incurred on maintenance of physical facilities and academic support facilities, excluding salary component, during the year

| Assigned Budget on academic facilities | Expenditure incurred on maintenance of academic facilities | Assigned budget on physical facilities | Expenditure incurred on maintenance of physical facilities |
|--|--|--|--|
| 29000                                  | 28805  | 14500                                  | 13066  |

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

The University has a fully-fledged Development Office headed by the Development Officer to look after the maintenance activities of all facilities.

- Each Campus has been allotted an Assistant Development Officer (ADO), Deputy Development Officer and adequate support staffs to look after the maintenance work of the campus.
- The University has AC maintenance, Electrical maintenance, carpentry and fitter department to look after maintenance work.
- The University is having separate maintenance cell in different campuses in addition to a general pool facility for maintenance and repair.
- Annual Maintenance Contracts (AMC) are made with various companies for regular maintenance of sophisticated equipments requiring special skill, particularly, computers, AC, electrical appliances like generator and other power back up systems, lab equipment, documentation equipment, photocopy machines, etc. Also, in case of emergency, help of experts is taken for maintenance and repair works of various other infrastructure of the University.
- Also, in case of emergency, help of experts is taken for maintenance and repair works of various other infrastructure of the University.

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

KIIT Student Activity Centre aims to bring all the students of the University under one roof with the objective of establishing a common ground for extra curricular activities as well as providing a platform for sharing of talent, culture and innovative ideas. KIIT University takes pride in celebrating creative attributes of human mind. It not only believes in imparting quality technical education, but also catalyzes an all round development of the student community through the various societies. These societies provide a Utopian platform to the students and ensure that the tremendous talent and potential embedded in today's youth are explored to the fullest extent and are put to use for the betterment of the entire society. Be it oratory skills or quizzing, music or arts, KIIT provides full scope to its students to explore the unexplored horizons and reach great heights. Representation of Students of KIIT can be seen in the following areas: a) Student Members in IQAC Cell. b) Student Members in National and International Seminars and Symposium. c) Student Representatives in Placement Cell, d) Students are managing 34 different Societies and Clubs operated by the Student Federation under KIIT Student Activity Center (XSAC). e) Student Volunteers are actively participating and managing the activities of NSS, MCC, Youth Red Cross and several Programs organized under Community Engagement Cell. f) Student Members are coordinating and conducting KIIT Festivals (Both Technical and Cultural). g) Students are part of the organizing committee for the conduct of National and International Sports events.

#### 5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

The KIIT Alumni Association (KIITAA) has already been registered under Society Registration Act No. 1917-79 dated 13th March 2014 with its office At/PO: KIIT Campus-13, Bhubaneswar, Pin Code- 751024, Odisha

5.4.2 – No. of registered Alumni:

30070

5.4.3 – Alumni contribution during the year (in Rupees) :

2359776

5.4.4 – Meetings/activities organized by Alumni Association :

1 Alumni Live Series With Dushyant Singh 2 Global Alumni Meet 2020 3 Webinar by Alumni Mr. Deepan Kumar Sahu 4 Alumni Live Series by Dr. Arunima Gupta

## CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

### 6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

1. Governance and Leadership: KIIT-DU has 24 Schools offering more than 200 programmes in Engineering, Health Sciences, Social Sciences and Management. Each School has its independent campus with academic flexibility and financial autonomy to carry out day to day activities. The stakeholders are part of different committees and decision making bodies. The University provides the better opportunity to all the participating in the decision making process, the University administrative and academic structure is in a manner to make the decision by participative arrangement. Vice Chancellor is the administrative and academic Head, followed by Registrar, Vice Chancellor is an administrative and academic head of the University. He is assisted by Pro Vice Chancellor on academic matters and registrar on administrative matter. Pro Vice Chancellor is followed by the Directors, Deans and faculty members of different Schools whereas the registrar is followed by office superintendent and office assistants. 2. Participative management: During affiliation process, all departmental heads of each School are requested to send their proposals for commencement of new courses and they are inculcated affiliation date. The University prepare financial budget at the beginning of the year. This is prepared by the administrative heads and is with consultation of all departmental Heads. The budget is approved by the management. The examinations are carried out periodically throughout the year for which there is separate examination department headed by the COE. The management authorities regularly undertake the review of working of the University in its Academic Council/Executive council meeting and working committee meeting. The necessary guidance and directives are issued through these meetings. Periodical reviews are undertaken by the top management. So there is a good support from the management relating to the implementation of the objectives specially designed to attain quality teaching and learning aspects of the University. The concentration is given on the regular lectures conducted by the staff, timely completion of the syllabus, guidance for better performance in the examination and providing best possible teaching learning environment. This is attained by regular meetings of department, of the staff member conducted by the Vice Chancellor from time to time. The staff receives motivation and support for all the activities from the management. The participation of students in Sports, NSS, NCC, extracurricular activities is encouraged in order to attain overall development of students.

6.1.2 – Does the institution have a Management Information System (MIS)?

Yes

### 6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type

Details

|  |  |
|--|--|
| Human Resource Management                                  | <p>a) Faculty members have been imparted in Faculty Development Programme during each Academic session followed by different domain specific training by the University b) Arrangement of Lecture series by inviting the experts. c) Deputed to attend National and International Conferences and Workshops with financial assistance. d) Provision for attending Orientation, Refresher and Special Courses organized by UGC, HRDC e) Based on PBAS Report, Faculty members are assisted to convert their weaknesses into strength f) Additional weightage for Publication Research Project and Consultancy is being given for future career of the Faculty members. g) Non Teaching employees are extended with induction training at the time of joining. Upgradation of knowledge in computer skills, communication skill, and basic knowledge on the domain area regularly monitored through different hands on training.</p> |
| Library, ICT and Physical Infrastructure / Instrumentation | <p>LIBRARY: a) Fully automated library system b) Provision of Digital Library<br/> ICT: a) Integration of all the necessary resources and competences together in a goal oriented manner for reliability. b) It has put in place the next generation Hybrid Data Center with strong IT service Operation Management process automation and service support which pulls best practices gained from the ITIL framework. c) Round the clock Internet connectivity in the campus</p>   |
| Industry Interaction / Collaboration                       | <p>a) Industry presence in academic bodies like Academic Council and Board of Studies to design course curriculum. b) Regular involvement of Industry experts in Summer Training, Pre-Placement Training and final Placement</p>   |
| Curriculum Development                                     | <p>a) Feedback from academic peer and industry inputs are considered and incorporated. b) Alumni Survey is also taken into consideration c) It is a continuous endeavor of the University</p>  |
| Research and Development                                   | <p>a) Established Centre for Innovation and Research in collaboration with Industry b) Central Computational Center is in operation c) Interdisciplinary, Intradisciplinary and Multidisciplinary Research are facilitated and coordinated by a structured Research Cell headed by a</p>   |

|                       |  |
|-----------------------|--|
|                       | Director. d) Financial Assistance to all regular Faculty for attending Conferences, Seminars and Workshops. e) Organized specially designed workshop for formulation of Research projects for different funding agencies. f) Facilitating the Researcher in preparation of Research Papers, Projects by inviting experts in different domains. |
| Teaching and Learning | a) Experiential Learning System b) Technology enabled teaching and learning practices c) Innovative and analytical approach of examination system  |
| Admission of Students | a) Transparent admission process b) Online All India entrance examination c) Fulfill all reservation criteria d) Merit is sole criteria of admission   |

#### 6.2.2 – Implementation of e-governance in areas of operations:

| E-governance area             | Details   |
|-------------------------------|---|
| Student Admission and Support | Online application collection for admission, Online entrance examination, Counselling, Student admission, Online registration, Class schedule, Attendance monitoring, Online answer sheet evaluation, Online questions upload, Online marks upload, Online exam booking, Online payment and Online result publication   |
| Examination                   | Fully computerized evaluation, form fill up, issue of admit card and grade sheet.   |
| Administration                | Daily Activity Report, Monthly Performance Report, Monthly Performance Report by HoD about Staff and Uploading Certificates   |
| Planning and Development      | Organization structure, Material Masters, Vendor Masters, Batch Management, Business Partner, Quota Arrangement, RFQ, Purchase Requisition, Purchase order, Contract, Services, Source Determination, Inventory Management, Physical Inventory, Stock Determination, Movement types determination, Serial Numbers, Scheduling Agreement, Release Procedure, DMS and Invoice |
| Finance and Accounts          | E Advances, Salary Statement, Form 16 and Income Tax Declaration  |

### 6.3 – Faculty Empowerment Strategies

6.3.1 – Teachers provided with financial support to attend conferences / workshops and towards membership fee of professional bodies during the year

6.3.4 – Faculty and Staff recruitment (no. for permanent recruitment):

| Teaching  |           | Non-teaching |           |
|-----------|-----------|--------------|-----------|
| Permanent | Full Time | Permanent    | Full Time |
| 160       | Nil       | 206          | Nil       |

6.3.5 – Welfare schemes for

| Teaching  | Non-teaching  | Students   |
|---|---|--|
| <p>Provision of sanctioning loans at a very nominal rate of interest Subsidized meals, accomodation facility, late evening drop facility Subsidized eduaction for the ward of faculty Flexi-timing, track system and provision to work from home in specific cases Provision of Employee Provident fund and Health Insurance Start-up grants for young faculties to initiate their research activities Study leave for higher studies Financial assistance for attending international/ national seminars, conferences and workshops Round the clock medical facilities 24X7 Library facilities and High Speed Internet connectivity available Provision of maternity and paternity leaves Industry sponsored area specific programmes for faculties (training the trainers) Leadership development programmes Regular organization of Faculty development programmes</p> | <p>Provision of sanctioning loans at a very nominal rate of interest Subsidized meals, accomodation facility, late evening drop facility Subsidized eduaction for the ward of staff Flexi-timing, track system and provision to work from home in specific cases Medical facilities at a nominal rate Special leave for upgradation of knowledge and skills Special financial assistance for different types of training programs Subsidized meals 24X7 Library facilities and High Speed Internet connectivity available Regular organization of staff development programmes Induction programme for new staff members Provision of Employee Provident fund and Health Insurance Round the clock medical facilities Provision of maternity and paternity leaves</p> | <p>Subsidized education for girl students KIIT merit scholarships and free-studentships for meritorious and needy students, stipends to M.Tech and Ph.D students Free medical facilities Bridge courses are conducted for freshers at the beginning of the academic session. Remedial classes are conducted for academically weak students during summer vacation. Online doubt clearing sessions held in the evening from 4 pm to 5 pm Tutorial classes for all courses are included in the time table. Student entering in the University from non English speaking countries and vernacular medium are given special English learning courses. The university subscribes to a lot of international online tutorials. Students use the laptops provided by the University to take advantages of tutorial classes for their improvement. a.Placement Cell looks into the training placement of the students b. School of language for English</p> |

language, foreign language and communication. c. Central Computer Center for computer orientation and language programming d. Career Advisory Augmentation Services (CAAS) for overall personality development e. CAAS and School of leadership motivates the students for higher studies and prepares them for exams like GATE, GMAT, CAT, XAT, GRE, TOEFL Civil services etc. The classes are conducted after class hours and during holidays. Provision of Open Electives under choice based credit system Provision of student exchange programme and provision of Credit transfer system Support (Financial and intellectual) for innovative students' projects Availability of Earn while you Learn Scheme Leadership development and entrepreneurship development programmes for students Establishment of Student Research Centre Tutor mentor system to guide and mentor the students. Entrepreneurship development Cell to motivate the students towards Entrepreneurship Provision of Health Insurance for students Student Activity Centre and Student societies 24X7 Library facilities and High Speed Internet connectivity available Personal and career counseling available KIIT-TBI offers incubation facilities and enables the incubatees to work in a secure, innovative and entrepreneurial

environment as they progress through various stages of entrepreneurial development

#### 6.4 – Financial Management and Resource Mobilization

6.4.1 – Institution conducts internal and external financial audits regularly (with in 100 words each)

KIIT has a functioning mechanism of Internal, External Statutory Audit system on regular basis. 1- The Internal audit team headed by Chief Audit Officer and all financial transactions are routed through them. 2- 2- The University audits are conducted at the end of every financial year through an external Auditor M/s. Santosh K Agrawalla Associates (CA). 3- 3- The University has also takes consultancy services where ever required.

6.4.2 – Funds / Grants received from management, non-government bodies, individuals, philanthropies during the year(not covered in Criterion III)

| Name of the non government funding agencies /individuals | Funds/ Grnats received in Rs. | Purpose                                  |
|--|-------------------------------|--|
| Funds collected from individuals, sponsorships etc.      | 14316430                      | Seminars, Conferences, DST meetings etc. |
| <a href="#">View File</a>                                |                               |  |

6.4.3 – Total corpus fund generated

630212833.60

#### 6.5 – Internal Quality Assurance System

6.5.1 – Whether Academic and Administrative Audit (AAA) has been done?

| Audit Type     | External |   | Internal |  |
|----------------|----------|---|----------|--|
|                | Yes/No   | Agency  | Yes/No   | Authority                                |
| Academic       | Yes      | Resource persons of repute from IITs, NITs etc. for each Program/School | Yes      | IQAC cell with selected external experts |
| Administrative | Yes      | Experienced administrators of repute                                    | Yes      | IQAC Cell with Director, HR and Team     |

6.5.2 – What efforts are made by the University to promote autonomy in the affiliated/constituent colleges? (if applicable)

N/A

6.5.3 – Activities and support from the Parent – Teacher Association (at least three)

a) Regularly organizing the Parents Meeting once in a year b) Suggestions are invited for quality improvement through Parents Feedback c) Regularly in touch to support the for student related issues and for the benefit of the institution.

6.5.4 – Development programmes for support staff (at least three)

1. Several Technical Skill Development programs like upgrading the basics of computer knowledge and advanced versions of software used and competency in SAP

acquaintance 2. Functional Skills like English communication and mandatory awareness training programs like first-aid, fire fighting were conducted 3. Behavioral training skills like time management and discipline

6.5.5 – Post Accreditation initiative(s) (mention at least three)

1) Successfully increased the no. of Ph. D holders as Faculty. 2) No. of Scopus/Web of Science (WoS) indexed Papers have been significantly gone up during the period. 3) Number of Research Project Proposals to different funding agencies for financial assistance have been increased. 4) Examination system has been fully automated.

6.5.6 – Internal Quality Assurance System Details

|  |     |
|--|-----|
| a) Submission of Data for AISHE portal | Yes |
| b) Participation in NIRF               | Yes |
| c) ISO certification                   | Yes |
| d) NBA or any other quality audit      | Yes |

6.5.7 – Number of Quality Initiatives undertaken during the year

| Year | Name of quality initiative by IQAC   | Date of conducting IQAC | Duration From | Duration To | Number of participants |
|------|--|-------------------------|---------------|-------------|------------------------|
| 2019 | Induction Training Programme for newly recruited SSB Lecturers of Commerce Economics | 06/12/2019              | 09/12/2019    | 22/12/2019  | 94                     |
| 2020 | Induction Training Programme for newly recruited SSB Lecturers of English            | 06/12/2019              | 16/01/2020    | 29/01/2020  | 90                     |
| 2020 | Faculty Development Program (FDP)  | 06/12/2019              | 22/06/2020    | 28/06/2020  | 1975                   |
| 2020 | Skill Development Program on Augmented Reality technology                            | 27/11/2019              | 15/02/2020    | 16/02/2020  | 102                    |
| 2020 | MDP on Mentoring and Coaching Skills: Coaching Conversation                          | 06/12/2019              | 20/06/2020    | 20/06/2020  | 48                     |

**CRITERION VII – INSTITUTIONAL VALUES AND BEST PRACTICES****7.1 – Institutional Values and Social Responsibilities**

7.1.1 – Gender Equity (Number of gender equity promotion programmes organized by the institution during the year)

| Title of the programme   | Period from | Period To  | Number of Participants |      |
|--|-------------|------------|------------------------|------|
|  |             |            | Female                 | Male |
| 71st Republic Day dance act by KIIT NSS SOEE on "Unity in Diversity"   | 26/01/2020  | 26/01/2020 | 21                     | 11   |
| Gender equity campaign   | 15/08/2019  | 20/08/2019 | 5                      | 12   |
| Good Touch Bad Touch Demonstration   | 03/09/2019  | 03/09/2019 | 60                     | 70   |
| Youth Conclave in collaboration with Bhubaneswar Smart City Limited 'Role of Youth in creating an equitable society' | 21/12/2019  | 21/12/2019 | 177                    | 103  |
| One day seminar on "POCSO Awareness" in association with BSCL, BMC & UNFPA   | 19/09/2019  | 19/09/2019 | 250                    | 200  |
| Session by Ms. Sadhna Mishra (Transgender) on Menstrual Hygiene  | 07/09/2019  | 07/09/2019 | 50                     | 47   |
| Kanya Kiran awarness Program (Online)  | 12/06/2020  | 12/06/2020 | 2437                   | 566  |
| Celebrating International Women's Day  | 08/03/2020  | 08/03/2020 | 1312                   | 823  |

7.1.2 – Environmental Consciousness and Sustainability/Alternate Energy initiatives such as:

Percentage of power requirement of the University met by the renewable energy sources

KIIT has always initiated environment care and sustainable energy utilization in various forms and initiated with a clean and green environment a) Solar power generation and utilization b) Bio gas production from organization waste c) Solar thermal utilities d) Ground water recharge from Rainwater, waste water and waste water treatment e) Solar Power Generation and Utilization : The rooftop of Academic buildings, Hostels and other buildings free from shadow having solar panels installed in first phase of 1200 KWp capacity.

#### 7.1.3 – Differently abled (Divyangjan) friendliness

| Item facilities            | Yes/No | Number of beneficiaries |
|----------------------------|--------|-------------------------|
| Physical facilities        | Yes    | 503                     |
| Provision for lift         | Yes    | 3018                    |
| Ramp/Rails                 | Yes    | 253                     |
| Rest Rooms                 | Yes    | 209                     |
| Any other similar facility | Yes    | 117                     |

#### 7.1.4 – Inclusion and Situatedness

| Year | Number of initiatives to address locational advantages and disadvantages | Number of initiatives taken to engage with and contribute to local community | Date       | Duration | Name of initiative   | Issues addressed   | Number of participating students and staff |
|------|--|--|------------|----------|--|--|--|
| 2019 | 2  | 2  | 07/11/2019 | 1        | Linguistic Barrier was the disadvantage                                  | Addressing the sanitation and hygiene to the villagers   | 51   |
| 2019 | 1  | 1  | 12/12/2019 | 7        | NSS Special Camp at adopted village Injana, Padmakshripur and Tangibanta | The 7 days special camp included various events like Alcohol and Drug awareness camp, Plantation Drive, Cricket and Football Match, Self defence training, Swachh Bharat | 150  |

|      |   |   |            |   |   |  |    |
|------|---|---|------------|---|---|--|----|
|      |   |   |            |   |   | Abhiyan, painting competition and an awareness program on minimization of Plastic  |    |
| 2019 | 1 | 1 | 31/08/2019 | 7 | NSS Special Camp at adopted village Pathargadi a.         | The 7 days special camp included activities like Demographic Survey, Drugs Abuse Awareness Nukkad, Skit on Road Safety, Yoga, Plantation drive, Drawing, Dancing and Singing sessions, Swachh Bharat Abhiyaan, Personal Health and Hygiene Awareness, Self D | 25 |
| 2020 | 1 | 1 | 02/02/2020 | 7 | NSS Special Camp at Adopted village Rangamatia, Manchewar | The 7 days special camp included activities like Demographic Survey, Drugs Abuse Awareness Nukkad, Skit on Road  | 25 |

|      |   |   |            |    |  |   |      |
|------|---|---|------------|----|--|---|------|
|      |   |   |            |    |  | Safety, Yoga, Plantation drive, Drawing, Dancing and Singing sessions, Swach Bharat Abhiyaan, Personal Health and Hygiene Awareness, Self D |      |
| 2019 | 1 | 1 | 10/07/2019 | 21 | Pledge for cleanliness to show your keenness to clean India. | If Unity in diversity , then: why not! Cleanliness in India even after diversity.   | 50   |
| 2019 | 1 | 1 | 01/08/2019 | 7  | SWACHHATA PAKHWADA   | "Cleaning up the country cannot be the sole responsibility of sweepers. Do citizens have no role in this? We have to change mindset .       | 1000 |
| 2019 | 1 | 1 | 17/08/2019 | 1  | International Youth Day with BSCL                            | the theme of IYD was Transforming education to make education inclusive and accessible for  | 50   |

|                           |   |   |            |     |                           |   |      |

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

1. Tobacco free campus 2. Vehicle free campus 3. Paperless administration 4. Mega Plantation drive 5. Solar power 6. Rain water harvesting

## 7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

(1) Title of the Practice: Industry-academia Collaboration a) Objective of the Practice: To enhance the competency of the students to work in the industry environment b) Context: To make our students industry-ready and to acquire practical knowledge on implementation of various project activities by the faculty members through consultancy and transfer the knowledge to the students c) The Practice and its uniqueness: In the current times, most of the industries prefer to employ engineers who can join and start working from day one. In order to achieve this, many industry linked programs are initiated in the school in collaboration with various industries. Besides this, various consultancy activities are taken up mostly from the ongoing projects being undertaken by different government and private sectors. This knowledge enhances the exposure of our faculty members with regards to implementation activities and these are transferred to the students during classroom delivery and laboratory classes. d) Evidence and success: All these academic-industry partnership programs are successfully running for the last 5 years. The students get benefited from the consultancy works being conducted by the faculty members while they undertake the theory and practical classes. The School has been designated as a specialist in this area by National Highway in Odisha, Design vetting for various prestigious projects from Ministry of Inland Waterways Authority of India, LIC of India, Saraf Agencies Pvt. Ltd, Mantra Udyog etc. have been received. Third party quality control and testing of materials for NBCC, RITES, Gannon Dunkerley co. Ltd (JK CEMENT), KNK (Mind Tree) and Petron Engineering construction Ltd, LT Infra, LT Geostructure, Shapoorji Pallonji Co Ltd. etc were carried out. Skill development consultancy projects from Ministry of Drinking Water Sanitation, Panchayati Raj and Drinking Water Department of Govt. of Odisha and ORMAS were received. Served as a resource person for the training of newly recruited Asst. Executive Engineer Junior Engineer of PWD, Govt. of Odisha, Indian Academy of Highway Engineers (IAHE), Govt. of India e) Problems encountered: In case of industry institute partnership, some program are affected due to internal issues in the respective industry. (2) Title of the Practice: Tinkering laboratories a. Objective of the Practice: To nurture innovative research/ process development ideas from undergraduate students. b. Context: Experiential learning and promotion of entrepreneurship c. The Practice and its uniqueness: Undergraduate students work in the research laboratories to learn advanced research skills and test/implement their innovative ideas. UG students work with PhD scholars in the research laboratories to be part of ongoing extramural research projects done by PI/faculty. Exceptionally bright students may be given to execute a part of the project and/or test their own idea. d. Evidence of success: About 25 percentage of the students are motivated for higher studies and research. Every year about 15 students join as MS/PhD scholar in reputed national and international laboratories/Universities. e. Problems encountered: There is severe space crunch in research laboratories. It is important to set up more dedicated well-equipped tinkering laboratories in each School. Till date all these ideas are supported from extramural research grants of the faculty

members. A limited no. of small grants through intramural support will greatly boost the morale of the students and faculties alike.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

### 8.Future Plans of Actions for Next Academic Year

Blended Learning can be used to provide quality education through classroom and virtual interactions with students and instructors. We will advance education and research that involves each schools, faculties, research institutes and centers working in concert and tackling new fields of academic endeavor. Suitable approaches and strategies are being formulated to make this possible and also enhance collaboration at national and international levels. In order to have good economic opportunities, challenges are to access to high-quality education, so that skills can be developed that are relevant in the workforce. This can be facilitated through online and virtual platforms which has emerged as powerful tools in recent times. There is a tremendous opportunity to provide, not only learning, but also job opportunities to a much broader class of people. Coursera will be more to meet the research interest of students community. The University

is focused on developing more infrastructural facilities and more intellectual capital to provide impetus to academic and research domains. Different supportive technologies and educational resources are in the process of incorporation to make this possible. Emphasis will be laid on cutting edge research and product innovation aimed to address issues of social, national and global relevance, leading to the emergence of the University recognized research hub. Proficient and experienced researchers from different domains will be invited to join the academic fraternity of the University for strengthening the research potential. At the school level, focus on pursuance of the highest global standards of research and endeavor to foster motivated and creative researchers capable of playing active roles internationally.
